

Christmas Cards

The Belvedere and arches

above-mentioned one which is called 'Holland House from the West' as well as two small designs: 'The Stable Yard' and 'The East Wing, Holland House'. At a discounted price there are mixed packs of 10 which mostly have 8 large cards in 3 designs and one each of the small ones. Because these mixed packs have been so popular I have also been given mixed packs of West and Central London which include many charming views you will recognise even if they are not of Holland Park.

There is also a large choice of London views in the brochure and an even wider selection on the website: www.mbcards.co.uk.

The Stable Yard

cards, 10% on 200 and 15% on 300. We hope that you will all nominate FHP as the recipient of the charity donation from Mountbatten of 25% of the profits but you are free to choose any charity.

Rhoddy Wood

This year's new card is painted by Catherine Masterman who last year produced the highly successful card showing the front of Holland House as seen when the opera buildings are not erected. Now we have a view of the Belvedere with the adjacent arches framing a distant view of the tower of Holland House.

From previous years I also have in my flat, in the standard large format, the

Holland House from the west

If you send your order to me at 21 Kenton Court the minimum order is 10 cards, and we will deliver free within our newsletter hand-delivery area but have to charge £1.40 per ten for postage beyond that. If you order from Mountbatten cards directly, delivery is free to most West and Central London postcodes but is £5 if outside that area or the order is for less than £30. Overprinted cards must be ordered from Mountbatten. In either case envelopes are included and there are discounts of 5% on 100
